

## Architectural Review Committee Standard RESIDENTIAL SECURITY ALARMS

---

Adopted: January 10, 2014

Autumn Wood HOA Conditions, Covenants and Restrictions (CC&Rs), Article VII, Section 7.9(d) *Exterior Lighting and Alarms*, is reiterated in part for clarification.

*"No ... alarms shall be placed or utilized upon any Lot in a manner which unreasonably interferes with the enjoyment of adjoining Lots.*

*"No security alarm ... shall be allowed to make an unreasonable amount of noise or become a nuisance."*

A Resident Improvement Application (RIA) is not required.
