

**Architectural Review Committee Standard
GARAGE DOORS: ROLL-UP, METAL FOLDING, OR OTHER**

Adopted: February 19, 2008

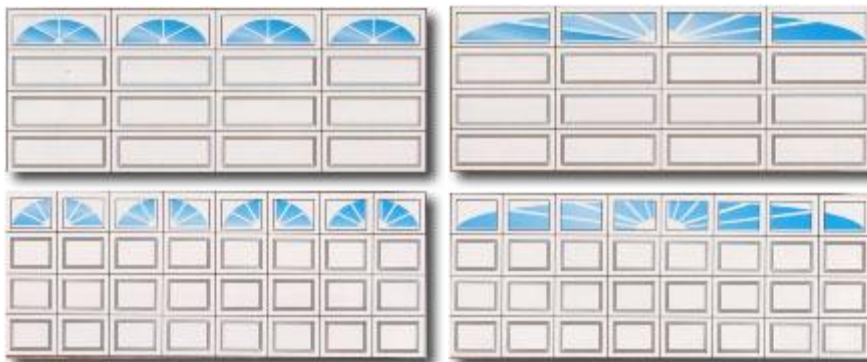

Roll-up garage doors are permissible as long as the proposed door:

- Is a standard, prefabricated, sectional, metal door,
- Is similar in design to other roll-up doors in the neighborhood and,
- Is colored almond, sand, brown, white, or a custom color matching a feature of the Residence.

Windows of any kind are permitted as long as they are located in the top section of the door.

- Examples of pre-approved doors:

Submit a Residence Improvement Application (RIA) via the HOA management company for record purposes. Neighbors' signatures are not required.

Any other kind or design of garage door

To install a garage door with any design elements that **differ** from the above, submit a Standard Residence Improvement Application, including a detailed drawing or photograph, via the HOA management company to the Board of Directors thirty (30) days in advance of your desired installation date.

Neighbors' signatures are required.
